engage with public infrastructure  
and building construction

Wisconsin Wins \$10 Billion Foxconn Investment

In 2017 Wisconsin's workforce and business climate went toe to toe with other states to compete for 13,000 new jobs and \$10 billion of capital investment from Foxconn's new state-of-the-art advanced manufacturing campus. Wisconsin won!

It's estimated that this project will add \$51 billion to Wisconsin's gross domestic product over 15 years, an economic impact of \$18 returned for every \$1 invested by the state.

Construction Updates

Project Construction

The second round of general information sessions for contractors were held for the Wisconn Valley Science and Technology Research Park.

Foxconn Impact

Check out the statewide impact Foxconn is having on workers, businesses, and communities throughout Wisconsin on the Foxconn Impact page.

Wisconn Valley News

Local elected officials, suppliers, contractors and members of the public are encouraged to turn to the Wisconn Valley News for the latest project status, road updates, next steps, and interesting facts.

## I-94 NORTH-SOUTH

### WE ARE MAKING PROGRESS!

Currently, I-94 North-South is configured with three lanes of traffic in each direction between WIS 142 and College Avenue.

#### SOUTH SEGMENT (WIS 142 TO WIS 20)

The project is eleven months in with seven to go before major construction is complete!

#### CENTRAL SEGMENT (WIS 20 TO COUNTY G)

The project is ten months in with seven to go before major construction is complete!

#### NORTH SEGMENT (COUNTY G TO COLLEGE AVENUE)

The project is eight months in with thirteen to go before major construction is complete!

*County K permanent barrier wall installation*

*Mainline new pavement between Kraut Road and Golf Road*
