VILLAGE ANNOUNCES BID FOR DEMOLITION WORK TIED TO FOXCONN PROJECT

Initial Demolition Work to Occur Along Braun Road

MOUNT PLEASANT, Wis. – Today, the Village of Mount Pleasant announced it is seeking bids for the first demolition work tied to Foxconn’s \$10 billion, 22-million-square-foot manufacturing campus. The initial demolition work will focus on properties along Braun Road. The bids are separated into two packages – one for projects north of Braun Road and one for South of Braun Road.

“Our first bid for demolition work is just the next big step forward for the Village to prepare for construction of Foxconn’s manufacturing campus,” said David DeGroot, Village of Mount Pleasant President. “We are excited to see the transformation of the project area in the coming weeks, months and years.”

The work will include razing and removing all structure(s), out buildings, flatwork, driveway aprons, fill, filling all basements, crawl spaces and excavated areas with approved granular material, landscape restoration, traffic control as needed, and erosion control. The bids related to 12 parcels related to Braun Road North in the Village of Mount Pleasant and 11 parcels related to Braun Road south.

Interested bidders must attend a mandatory pre-bid meeting scheduled for 9 a.m., May 17 at Mount Pleasant Village Hall, 8811 Campus Drive. Bids are due at 10 a.m., May 24. Contractors must also submit pre-qualification statements before submitting their bid.

ABOUT THE PROJECT

Foxconn is investing an estimated \$10 billion in Mount Pleasant, in the heart of Racine County, Wisconsin to create North America’s first liquid crystal display (LCD) manufacturing facility. The Foxconn manufacturing campus will be approximately 22 million sq. ft. — by far the largest project in the state and one of the largest manufacturing campuses in the world. The investment represents the return of electronics manufacturing to the U.S. from Asia. Foxconn’s investment will change the economic landscape in Racine County and Wisconsin and establish the state as the electronics manufacturing capital of North America. ABOUT THE VILLAGE OF MOUNT PLEASANT

The Village of Mount Pleasant is a community that prides itself on one of its greatest assets — location. Comprised of 36 square miles in Eastern Racine County, Mount Pleasant is one of the fastest growing communities in the State of Wisconsin. Stretching from Lake Michigan to Interstate 94, its location provides easy access to metropolitan Milwaukee and Chicago, including General Mitchell International Airport just minutes to the north. Mount Pleasant also offers a wide variety of business opportunities. Numerous local, national, and international companies call Mount Pleasant home, including Putzmeister, Case New Holland, Seda International Packaging, Badger Meter, and many others. Companies are also consistently expressing interest in the community and the area as a whole. This interest in development, despite the economic
