## **VILLAGE TO HOLD FIRST MONTHLY FOXCONN PROJECT BRIEFING**

*May 21 briefing will kick off monthly briefing series*

**MOUNT PLEASANT, WIS.** – With site work underway on the Foxconn project site in Racine County, the Village of Mount Pleasant will convene regular monthly Foxconn project briefings designed to offer interested community members the opportunity hear directly from Village officials and project partners about the latest Foxconn-related updates and activities and ask questions.

“We value open dialogue and transparency,” said Claude Lois, Project Director for the Village of Mount Pleasant. “It has always been our intention to host regular public briefing meetings, now that work is underway, it is the right time.”

Briefings will be held the third Monday of every month from 6:00 – 7:30 PM in Ebe Auditorium at Village Hall, located at 8811 Campus Drive in Mount Pleasant. The first briefing will be on Monday, May 21.

The Village of Mount Pleasant also recently announced it would live stream meetings on its Facebook Page at [facebook.com/VillageofMountPleasant](https://www.facebook.com/VillageofMountPleasant). Recorded meetings will be archived and accessible on Facebook and online at <https://www.foxconnracinecounty.com/briefings>. The public is encouraged to submit their questions here, and all materials presented at the monthly briefings will be archived and accessible on this site.

### **ABOUT THE VILLAGE OF MOUNT PLEASANT**

The Village of Mount Pleasant is a community that prides itself on one of its greatest assets — location. Comprised of 36 square miles in Eastern Racine County, Mount Pleasant is one of the fastest growing communities in the State of Wisconsin. Stretching from Lake Michigan to Interstate 94, its location provides easy access to metropolitan Milwaukee and Chicago, including General Mitchell International Airport just minutes to the north. Mount Pleasant also offers a wide variety of business opportunities. Numerous local, national and international companies call Mount Pleasant home, including Putzmeister, Case New Holland, SC Johnson, Diversey, Seda International Packaging, Badger Meter, and many others. Companies are also consistently expressing interest in the community and the area as a whole. This interest in development, despite the economic conditions both nationally and worldwide, has allowed the Village to see consistent growth providing additional jobs and amenities for residents. ### **ABOUT THE PROJECT**

Foxconn is investing an estimated \$10 billion in Mount Pleasant, in the heart of Racine County, Wisconsin to create North America’s first liquid crystal display (LCD) manufacturing facility. The Foxconn manufacturing campus will be approximately 22 million sq. ft. — by far the largest project in the state and one of the largest manufacturing campuses in the world. The investment represents the return of electronics manufacturing to the U.S. from Asia. Foxconn’s investment will change the economic landscape in Racine County and Wisconsin

and establish the state as the electronics manufacturing capital of North America. To learn more about the Racine County Foxconn project, visit <http://www.FoxconnRacineCounty.com>.
